Re: **Election of Oklahoma County Judges**

Dear Friends:

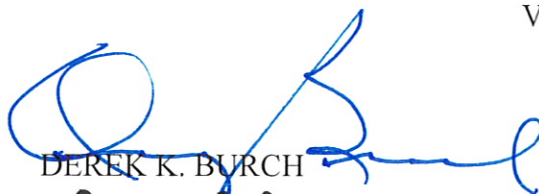

At election time we are frequently contacted by clients, friends, neighbors and other attorneys concerning the candidates running in judicial races. Most citizens of Oklahoma County do not come in contact with judges on a day-to-day working basis. As you know, for over twenty-five (25) years we have had close personal experience and interaction in the courtrooms of all these Judges running for re-election on the upcoming ballot.

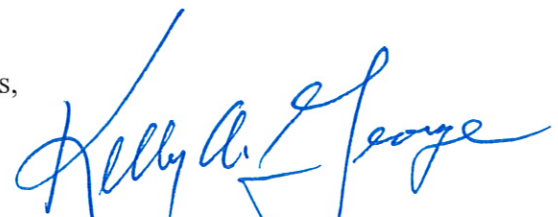

We strongly believe all citizens of Oklahoma should have fair, impartial and knowledgeable Judges who preside with integrity in the performance of their judicial duties. And because we believe it is helpful for voters to make informed decisions about the judges who preside in Oklahoma County, it is with the utmost confidence that we recommend you cast your vote in the general election for the following Judges running for re-election. In a recent survey by the Oklahoma Bar Association, each of these Judges received some of the highest scores included in the survey results.

- Judge Don Andrews www.donandrewsforjudge.com
- Judge Donald L. Deason www.judgedonalddeason.com
- Judge Thomas E. Prince www.keepjudgeprince.com
- Judge Roger H. Stuart www.electjudgestuart.com

If you want to find out more about any of these Judges we encourage you to visit the links provided above. Of course, if you want to talk to us, please feel free to contact us any time. The general election is November 3rd. Please go to the polls and cast your vote for these well qualified Judges.

Very truly yours,

DEREK K. BURCH
